Dear Mrs Jasmail

HCI Certificate of Recognition 2011

It is my pleasure to inform you that Chan Jing Zhan, an ex-student of Unity Primary School has been featured in "All-Round Excellence and Outstanding Student Award Graduation 2010", an annual Hwa Chong Institution publication on our most outstanding students.

Jing Zhan would not have done so well in Hwa Chong if not for the strong foundational knowledge he received from his years in Unity Primary School. Please convey our deep appreciation to your teachers who have taught him in the primary school.

Like you, we are very proud of Jing Zhan. We look forward to welcoming more top students from Unity Primary School in the near future.

Thank you.

Warmest regards

Dr. Hon Chiew Weng
Principal, Hwa Chong Institution
