Building My SG Learning Experiences

Evergreen Primary in 2030 by Syed Muhammad Ali Hussan, Chong En Yu, Ting Kian Jie, Sta Maria Angelica Manalac and Tan Yu Zun from **Evergreen Primary School**

by Shu Hwa from **Wellington Primary School**

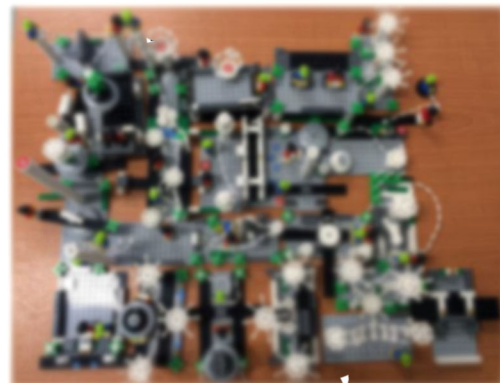

A Place to Relax In by Emily from **Pai Ching School**

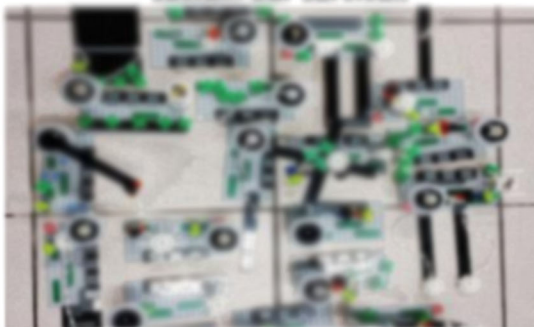

Water Distillation Plant by Sec 1/2 from **Riverside Secondary School**

"Understanding Singapore's constraints as a small country with limited resources and ensuring our survival as a nation, our government has carried out projects and developments such as the Newwater Plant to safeguard Singapore's well-being and sustain our survival."

by students from **Jing Shan Primary School**
"We have a responsibility to our environment and must do our part to keep it clean."

by students from **Teck Ghee Primary School**
"All linked as one!"

by Constance Tan from **Unity Primary School**
"I wanted to create a space for people to come together which showcases Singapore as a Garden City."
