Dear Mrs Gill

I am pleased to inform you that your former students who received their A-Level results have done extremely well.

Listed in the table below are the names of your former students who scored at least 5 Distinctions out of a maximum of six subjects (excluding H3 subjects):

NAME	NUMBER OF DISTINCTIONS

The Class of 2017 attained stellar results in the 2017 GCE A-Level Examination. We would like to take this opportunity to thank you for preparing them well for secondary school education at River Valley High School.

Yours sincerely
